

Compliance Declaration

This is to certify that the following products being sold by Renaissance Curtain Accessories have been tested in compliance with BS EN 16433 + 16434 for use with blinds and tracks for compliance with BS EN 13120.

Description: **Clear Safety Cord Guide**
Part code: **58WASCCL**
Date tested: **14 July 2014**

This product must be fitted to the wall so that the bottom of the chain or cord loop is at least 150cm above floor level for this product to be compliant with BS EN 13120: 2009 + A1: 2014.
The use of this product negates the requirement for a chain break device when installed at the correct height.

Drawing not to scale
