Ordering Details	Code: 16HODICTN75B Packed: 10

Pre-fitted holdbacks help to keep your Curtains securely folded away against the wall when not in use with a simple press-stud locking device.

Disposable
Cubicle Curtains
are made from 100%
Recyclable Polypropylene
Non-woven material which
meets with British Flame
retardant standards. They
are also treated with
ultra-fresh antimicrobial
protection.

How it works Easy-Fit via Quick Access Points

Renaissance Disposable Cubicle Curtains weigh far less than conventional curtains and with 'Quick Access Points' on all Renaissance Cubicle Rails they are easy to fit and replace.

The Quick Access Points can be blocked once your curtain is in place with the Notching Tool Hole V-Spring Covers.

Complete your Audit Date label to ensure your disposable curtains will be changed after your allotted time interval.
