Pre-fitted holdbacks help to keep your Curtains securely folded away against the wall when not in use with a simple press-stud locking device.

The Disposable Cubicle Curtains are made from 100% Recyclable Polypropylene Non-woven material which meets with British Flame retardant standards. They are also treated with Ultra-fresh antimicrobial protection

## How it works Easy-Fit via quick access points

Renaissance Disposable Cubicle Curtains weigh far less than conventional curtains and with 'quick access points' on all Renaissance Cubicle Rails they are easy to fit and replace.

The 'Quick access points' can be blocked once your curtain is in place with simple-to-use twist end stop.

Compatible with:
