high-end products featured in the splendour
of our Superior Silver Tracks

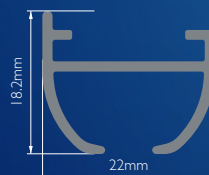

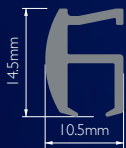

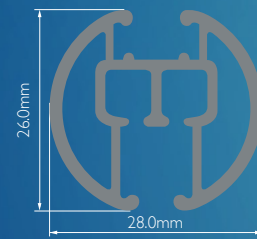

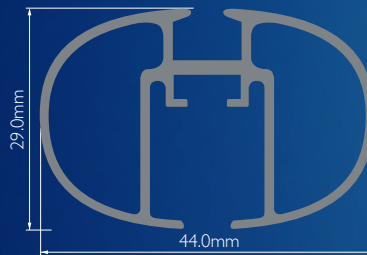

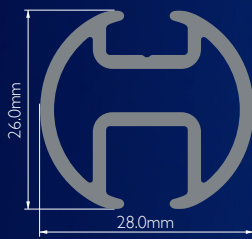

DELUXE COLLECTION

Silver is a timeless and adaptable element that can enhance any room or space – our assortment of silver curtain tracks exhibits exceptional workmanship and presents an ideal means to incorporate elegance and fashion into your forthcoming ventures.

This collection is designed to suit every type of installation and variety of curtain weights – from sheers through to heavyweight blackout interlined with thermal and acoustic properties.

The silver powder coated finish is not only stylish, it also ensures a smoother gliding action for near silent running tracks. They are easy to install and require low upkeep, making them the perfect selection for any window.

Choose from 9 Silver Track Profiles

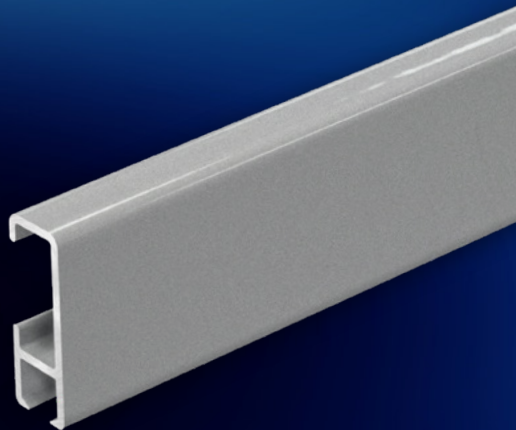

A bright, airy room with a large window and a glass door. The room features white curtains, a wooden floor, and a white radiator. Sunlight streams in through the window, casting shadows on the floor. The door is open, revealing a glimpse of the outdoors.
