

Project Recess Fix

Multi-groove Track

Material	Aluminium alloy 6060/T6
Weight	XX g/m
Track Sizes	6m single lengths only
Additional Details	A highly functional and quickly constructed tracking system when multi-layered curtain effects are required. Design to fit flush into the ceiling for an ultimate smooth appearance. Project Track is fast to fit and should be fixed to ceiling joists or constructional components commensurate with the load requirement of the system.
Track Maintenance	We recommend that the track is kept clean and dust free. Re-siliconisation is also recommended to prolong the smooth running of the gliders

Key Features:

- 6mm**
GROOVE SIZE
- IN-STOCK DELIVERY
- MADE TO MEASURE
- KITS AVAILABLE
