

Slim-line Project Ceiling Fix

Multi-groove Track

Material	Aluminium alloy 6060/T6
Weight	Double Groove = 194 g/m • Triple Groove = 403g/m
Track Sizes	6m single lengths only
Additional Details	A highly functional and quickly constructed tracking system when multi-layered curtain effects are required. Both the Double & Triple Groove Profiles feature a handy central location groove for ease of drilling fixing points.
Track Maintenance	We recommend that the track is kept clean and dust free. Re-siliconisation is also recommended to prolong the smooth running of the gliders
