DID YOU KNOW THE MOST COMMON...

Globally, the curtain rail (track) sales market was valued at **USD 2.7 billion** in 2023 and is expected to rise to **USD 4.1 billion** by 2032, at a 4.5% CAGR.

Within that, the metal segment continues driving overall growth, as consumers and trade installers in the UK consistently choose metal systems for their load-bearing **strength** and **reliability**.

KEY FEATURES

STRENGTH & LOAD CAPACITY
